Bullying Hurts! :

- Bullying can cause **stress** and **fear**
- Bullying can **affect** school and daily life
- Bullying **KILLS!**

On this image, This girl is very **sad** because of the **cyberbullying** she **suffers** from.

→ Everyone makes fun of her without knowing how **sad** she is.

**SPEAK
—
UP**

START RESPECT

Bullying is the activity of repeated, **aggressive** behavior intended to **hurt** another individual, physically, mentally or emotionally

Be a good person and help the victim

u can stop it

Learning has helped others

Learn to stop it

you can do something

I, you, we, can stop the **bullying**

Never stay a viewer

Go, together we can stop the **bullying**

STOP Bullying

people who are harassed think they are lonely
and there is no one who is going to help them.
they think all day about that, about people who
make their day terrible and they think about how
to make it stop

how can you accept that ?

together

Together we can stop it that if
everyone does something and
helps the harassed person

STOP

BULLYING!!!

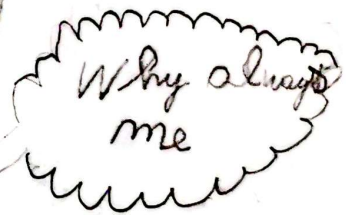

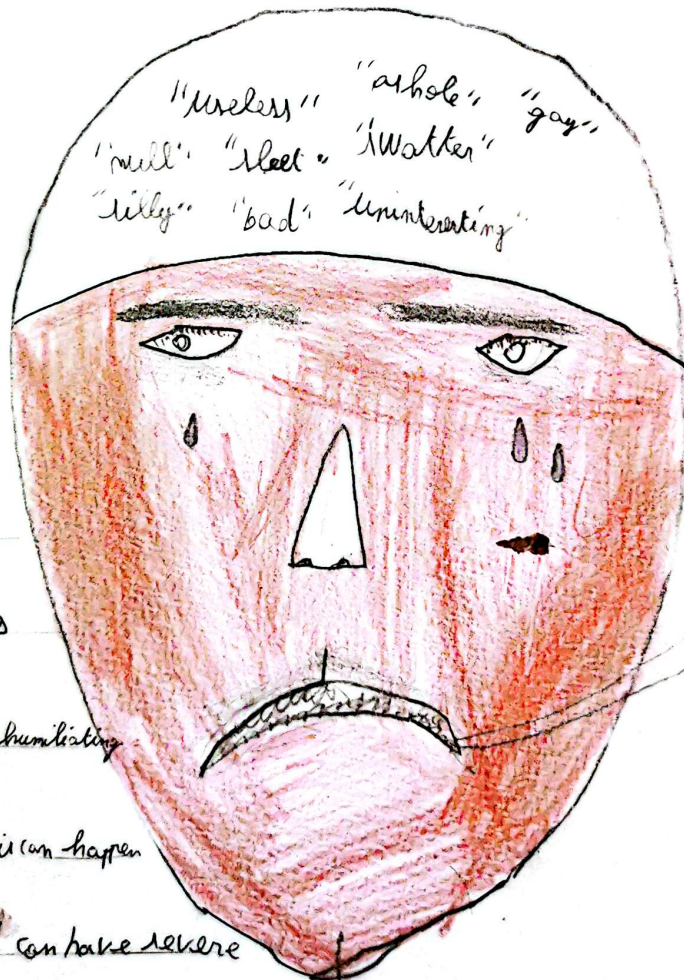

STOP THE BULLYING

The harassment, can be physically, verbally, psychologically and cyberbullying. The harassment can happen at school, at work... When a person is harassed, there can be several bully.

STOP THE BULLYING

Moral harassment
involves repeated acts
often subtle, aimed at humiliating
or isolating a person. This can happen
at work or elsewhere, and can have severe
consequences on mental and physical health, it's an abuse of power.

STOP BULLYING

it can
really

HURT

Stay strong
You are beautiful
Go tell your teacher
You should have confidence
in yourself

Not listen to them
Don't give up
I'm here for you
You would block the bully's
account
You should report

If you are a victim of harassment,
call this number:

Maria Guemaz 403

30 18

Let's
stop ~~X~~ the
BULLYING

Bullying is.....

not cool
not friendly
not popular
not respectable

Not
Welcome

Bullying

STOP BULLYING
